# Nobody Builds 'Em Better!

Complete Installation | Highest Quality Materials | Full Retail Outlet

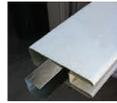

## Vinyl Privacy Fence

5" Post means no additional reinforcing is required.

All posts set minimum 30" deep in concrete per ASTM standards. Gate posts are set 36".

Ribbed Rail with Steel Channel to help eliminate sagging.

7/8" Tongue & Groove Pickets with ribs in each picket for improved strength and wind resistance.

## Vinyl Double Drive Gate

All Galvanized gate frames are welded in house and powder coated

Galvanized steel gate sleeves are installed in both the hinge and latch posts  
*(Post cut out for clarity)*

Every gate includes a locking, keyable latch
